Dear Sir:

Any U.S. patent document references listed under the heading "U.S. Patent Documents" in the attached Information Disclosure Statement may be material to examination of the above-identified patent application. Any non-U.S. patent document references listed under the headings "Foreign Patent or Published Foreign Patent Application" and "Other Documents" in the attached Information Disclosure Statement, copies of which are attached, may be material to examination of the above-identified patent application. Applicant submits any identified references in compliance with its duty of disclosure pursuant to 37 CFR §§1.56 and 1.97. The Examiner is requested to consider these references and make them of official record in this application.

Though one or more of the cited references might be material to the patentability of the pending claims in the present application, Applicant respectfully submits that the pending claims are nevertheless allowable over the art of record and the references cited herein.

This Information Disclosure Statement is not to be construed as a representation that a search has been made, that additional information material to the examination of this application does not exist, or that these references indeed constitute prior art.
